June 24th 2016: The House Call Returns...With a Modern Twist

US Veteran Dr. Jonathan Clarke discusses Mend, his Dallas-based startup that delivers on-demand medical care to the homes and offices of DFW. Imagine applying the best qualities of a service like Lyft or Uber to healthcare... convenience, mobile accessibility, personalized service, and price transparency. Mend does all of this by delivering on-demand healthcare to patients in their home, office or hotel, through a simple mobile app or web interface.

Dr. Clarke discusses the broken healthcare system in the United States and how Mend is looking to improve the patient experience. He will
