June 7th 2016: Encore: Millennials and Your Finance Organization: Work Style And Business

The buzz: Net-net. Brace yourself for news! By 2015, Millennials were the largest generational cohort in the US workforce. And their characteristic work style – caring deeply about workplace satisfaction, social networking, BYOD and mobile – has changed many areas of business, including the historically new-trend-and-technology-averse finance department. As a result, all financial professionals worldwide are now seeing their role and job within the corporate enterprise differently. The experts speak. John Arellano, Deloitte: “Plan your work for today and every day, then work your plan” (Marga
