**April 21st 2017: Cutting Edge Bullets and Gunwerks**

Daniel Smitchko started Cutting Edge Bullets in 2010. Today, his bullets are known for their extreme quality and his company's customer service is stellar. Learn more about how his commitment to supporting our industry had led to the research and development of ELR products! Gunwerks provides live instruction at their Long Range University, media based instruction, components and shooting systems that can help both the seasoned shooter as well as somebody just starting out, to make informed and cost conscious decisions when choosing their platforms. Their founder, Aaron Davidson, deliver

### Featured Guests

#### Daniel Smitchko

After being a machinist for 22 years and working for someone else I decided it was time to start my own machine shop and started Cutting Edge Machining Solutions, Inc in 2001.

[Read more](#)

#### Aaron Davidson

Aaron Davidson has been involved in long range shooting since he traded in his high school Camaro for his first precision rifle. As a mechanical engineer, his training and experience has given him a unique insight into solving the problems presented with long range shooting. He started Gunwerks in 2006.
