June 22nd 2017: Want to Transform Your Future? Lay the Foundation of Knowledge Today

Knowledge and learning can come from various sources. It is factual. Formal education is the process of learning how to seek knowledge and continue a journey of life long transformation. Somewhere along the way, some societies have switched from teaching the art of learning to teaching for the test. Life is not about having answers because there are no answers. Life is about choices and consequences that come with the choices made. Why then did we get off track and start teaching to tests? Why have we created the false expectation that there are right and wrong answers for all things in lif
