Rick welcomes Michael O'Brochta back to the show announcing the release of his new book "How to Get Executives to Act for Project Success." Even world-class project managers will not succeed unless they get their executives to act for project success. The trap of applying best-practice project management only to have the project fail because of executive inaction or counteraction can be avoided. This is a how-to book. It describes how project managers can get their executives to act, and it identifies executive actions most likely to contribute to project success. Project managers are empower

Featured Guest

Michael O'Brochta

Mike has worked in project management for over thirty years at the CIA where he led the development of highly complex, top-secret projects, programs and systems, and where he led the development of their project management & systems engineering training and certification program to mature practices agency-wide.
