January 6th 2017: Instant Agenda - The New Way for Meetings in 2017!

Instant Agenda is a SaaS meeting application for leaders who want outcomes, not chatter. It allows anyone to run more successful meetings with a minimum of preparation. Our focus is the content of the meeting – preparation, facilitation and follow up – rather than telecommunications or screen sharing technology. Key features of Instant Agenda include: • Shared, real-time interface • Integrated time keeping, notes and action items • Meeting summaries • Facilitation guidance for different types of meetings. Instant Agenda is being developed as part of the CA Technologies "Accelerator
